**Attention:**

updated as of 12/22/05

Submitters, These are the main sites of TGP Alliance. Each site below has a stable flow of traffic from bookmarkers, Search Engines and also trades.

We have updated this page to make it easier for submitters to know which site accepts which kind of galleries and how many daily. Just to be sure, you can check the recip page for each submit page, that will show you which categories exactly we have open for each site.

**Gold Sites:**

Submitters, these sites below are our largest sites. Each site contains a large amount of traffic, bookmarks and Search Engine traffic. We're proud of bringing them to current level comparing to where they were just a year ago.
